Please review the details for this conference at www.netimpact.org/conference, and complete the following questions. All applications must be typed. Using a separate document is allowed.

Why do you want to attend the 2014 Net Impact Conference?

What sessions are you most interested in attending and why?

What are some creative ways you might share the knowledge you gain with students and other members of the Soka community?

I understand that if I am selected for this grant, I will be required to formally share my experience with students, faculty and staff at SUA through a mutually agreeable format upon my return.
